Australian Society of  
Exploration Geophysicists

# Twenty three years of sharing your story

## Embrace your chance to present, and share the successes, of twenty three years of SAEMC stories.

Heralded as Australia's best value mining industry conference, this must-attend event for anyone doing business with the exploration and mining sector will be held on Friday, 4 December 2026 at the Adelaide Convention Centre.

This unique conference is widely supported within the local exploration and mining community and provides the perfect platform to collaborate and network. The conference provides a great opportunity for companies to showcase their abilities and achievements through one of the sponsorship opportunities outlined in the attached registration form.

This well-attended one day conference provides a valuable update on significant mining industry developments in South Australia during the year. It includes technical sessions on New Companies, Exploration Projects, Feasibility Studies & Mining Operations, as well as extensive networking opportunities during the day.
